

Have you insured your greatest asset – your income?

For most people, their income is their most valuable asset.

Without income protection, an accident or illness can destroy the financial security they have worked so hard to build.

Did you know

One in six men and one in four women between the ages of 35-65 can expect a loss of work for six months or more due to a disability.*

Wealth protection is an essential part of every financial plan

Through income protection

- you can **protect your wealth and your lifestyle**
- you can **provide for your loved ones** in the event of an accident or illness.

For around 1-2% of your salary, income protection insurance can ensure that **up to 75% of your gross income is protected** in the event of an accident or illness.

Your insurance **premiums are tax-deductible** and a small price to pay for peace of mind because none of us can control life!

Independent advice specific to your needs

Your Count Adviser at WLF Financial Services can help you arrange comprehensive income protection insurance that will help protect you and your loved ones against financial strain.

As a Member of Count, Australia's largest independently owned network of financial planning accountants and advisers, WLF Financial Services is not aligned with any insurance providers. We select the **right insurance product from a range of different providers to suit your specific requirements.**
