DAVYS

AT WLF, I'M...

A graduate accountant in the Audit and Assurance group and have recently started the CA program.

I BEGAN MY CAREER WITH WLF...

In February 2010 after completing a Bachelor of Business at UTAS with majors in Accounting and Business Management. The opportunity has enabled me to begin the career I had strived for and develop it further.

I NEVER WOULD HAVE THOUGHT THAT...

I would develop my skills as an auditor so much in under a year. It is the induction program, on the job training and support through the CA program WLF provides that has helped me get to where I am.

I REALLY ENJOY WORKING IN AN ENVIRONMENT WHERE...

There is such a positive culture, where I feel welcome and can contribute to the development of the firm. I also enjoy working with people my own age.

IT'S REASSURING TO KNOW THAT WLF...

Supports me in my career development, the CA program and a healthy work life balance.

WHAT I LIKE BEST ABOUT WORKING AT WLF...

At WLF I have had the opportunity to work with a wide range of clients in a number of industries developing my skills as an auditor. WLF also provided me with the mentoring and training needed for a painless transition from Uni into full time work.
